### About World Village and Leadership Camp 2.0

World Village Leadership Camp 2.0 is a 2<sup>nd</sup> annual collaboration program of Studec Fellowship & Baduy Outbound and is supported by the Culture Department of Indonesia. The program is designed to spread the nature preservation movement and to support the agenda of Sustainability Development Goals by the United Nations.

The 2<sup>nd</sup> World Village Leadership Camp aims to mobilize and bring together youth from around the world to learn about the LOCAL WISDOM of the Baduy indigenous tribe and Culture and to unlock the gates leading to a global movement to preserve the earth. This program consists of Leadership Workshop, Culture & Language Class, One Day Stay in Baduy Indigenous Village, Baduy Cultural Exploration, Leadership Social Action, Leadership Project, and Multicultural Performing Art and Awarding Night.

**Baduy Tribe is one of the most indigenous tribes in Indonesia and the world.** Located only 150 Km away from the capital city of Indonesia, Jakarta, the Baduy Tribe community lives deep in the remote highland of Mount Kendeng, West Java. Still holding on to their ancestral value, the Baduy tribe is peacefully living without electricity, chemical materials, cars, phone, or any form of modern touch. They dedicate their lives to protecting nature.

The camp is scheduled on:

**Date : 25<sup>th</sup> – 28<sup>th</sup> May 2023**

**Place : Baduy Village, Banten city, Indonesia**
