

WORLD VILLAGE LEADERSHIP CAMP 2023

Baduy Village, Indonesia
25th-28th May 2023

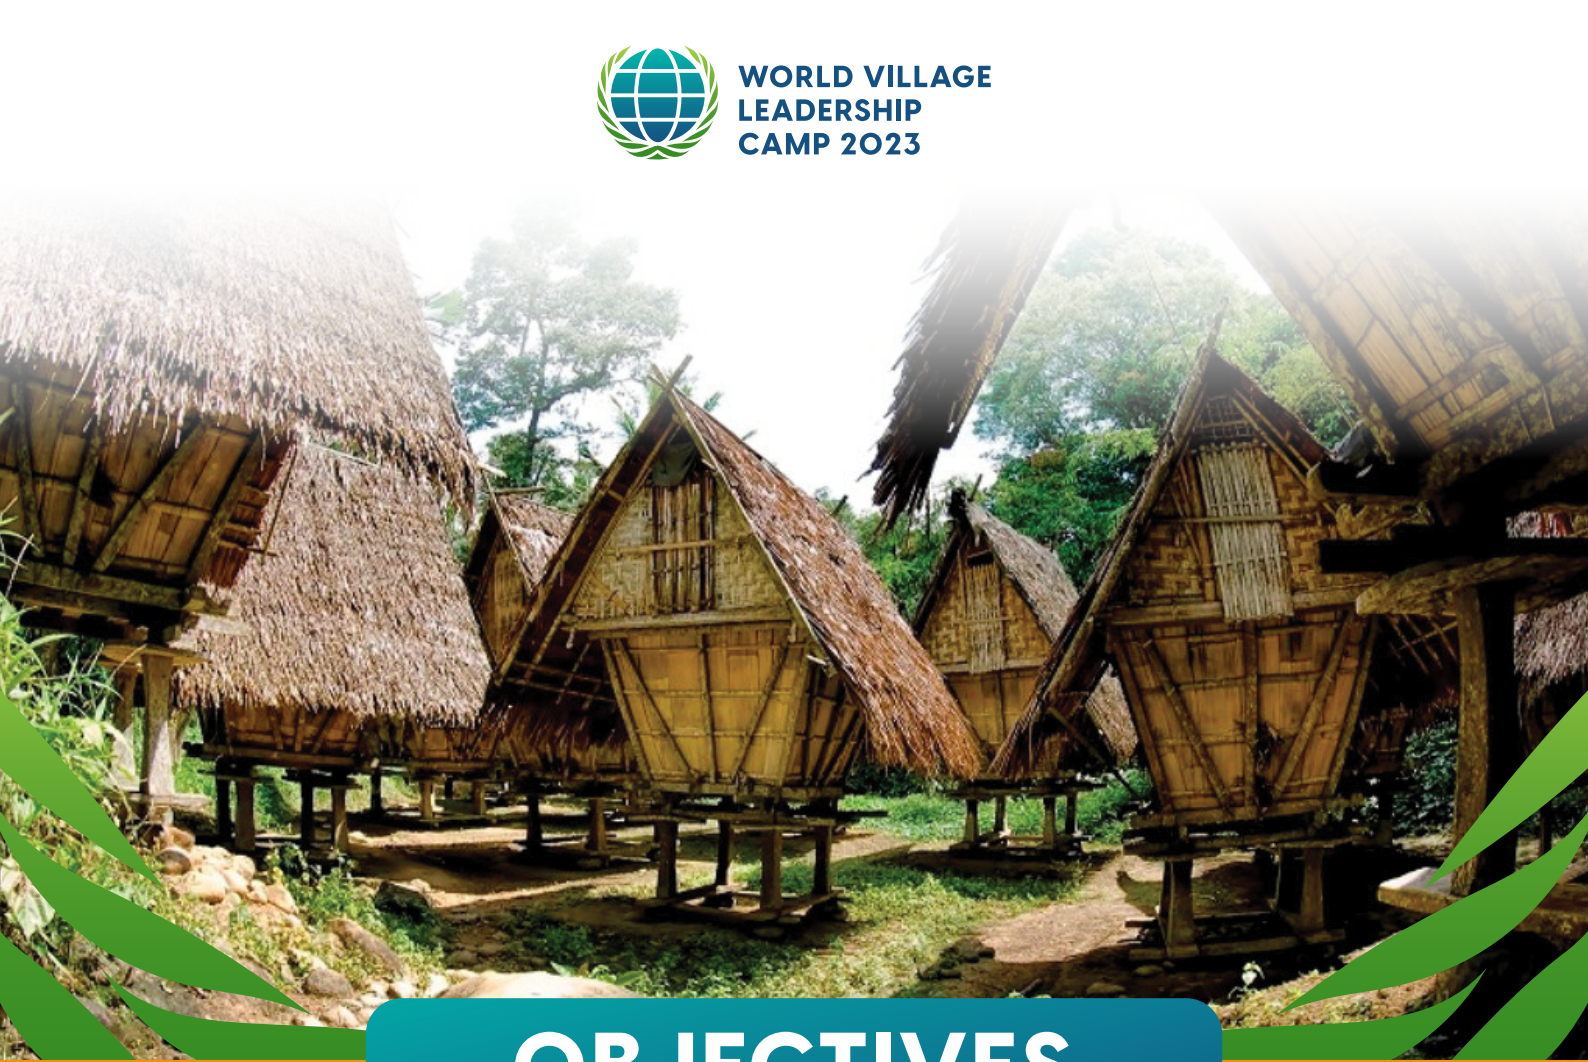

OVERVIEW

Baduy Tribe is one of the most indigenous tribe in Indonesia and the world. Baduy Tribe lives deep in the remote highland jungles, of Mount Kendeng, West Java. It's only 150 Km from capital Jakarta with few signs of modern development. Baduy tribe lives much as their ancestors did hundreds of years ago. They have been managing to survive living in nature without electricity, chemical materials, cars, phone, or any forms of modern touch. They dedicate their life to protect the nature and environment.

After successful camp on 2019, we proudly open the 2nd camp on 2023. World Village Leadership Camp 2.0 aims to mobilize and bring together youth from around the world to learn about the LOCAL WISDOM of Baduy Village Original Culture and unlock the gates leading to be global movement to preserve the earth. This program consists of Leadership workshop, social action activities with Baduy tribe, Baduy cultural exploration, and sustainability development project.

OBJECTIVES

- ★ Introduce a local wisdom of Baduy the indigenous tribe, to global youth and promote back to nature campaign.
- ★ To urge the future peace maker to join hands in pursuit of global peace and learn through diversity.
- ★ To empower delegates with the social awareness and self-competence development to be agent of change.
- ★ To promote SDGs through nature-friendly based modern lifestyle.

GOALS AND VALUES

Mindset Re-building

Learn from Speakers about personal mindset, public speaking, problem solving, and self improvement to join global community as agent of change who support SDGs and global peace.

Leadership Development

Gain invaluable insights from speakers and other delegates about diversity in leadership journey. All delegates also get to experience meaningful interaction with Local community of Baduy Tribe through sharing session and social action activities.

Collaboration and Culture Exchange

To go further, we need to go together. The whole agenda of this camp challenges all delegates to immediately adapt with local situation and collaborate each other. Some activities requires a lot of teamwork and encourage sensitivity to see problem around you and the solution.
